

**PRESS RELEASE**  
**FAKE PICTURES OF KKIA**  
**MONDAY 26<sup>TH</sup> MARCH 2018**  
**FOR IMMEDIATE RELEASE**

Zambia Airports Corporation Limited notes that there are pictures of an airport on social media purporting to be for the Kenneth Kaunda International Airport Terminal 2. We would like to advise members of the public that the airport depicted in the pictures is not of the Kenneth Kaunda International Airport Terminal 2. KKIA Terminal 2 is still under construction and is currently 77 per cent complete.

The current construction progress at KKIA is as follows:

New Passenger Terminal	<b>77%</b>
Hotel	<b>67%</b>
Air Traffic Control Tower	<b>86%</b>
Presidential Pavilion	<b>78%</b>
Cargo Terminal	<b>85%</b>
Commercial Complex-Airport Shopping Mall and Airport Office park	<b>45%</b>

The overall completion is at 70% and the completion date is October 2019.

ZACL endeavours to keep members of the public informed and updated on the progress of the construction as well as other news and activities relating to the Corporation which is done daily through our various social media platforms.

We also kindly urge members of the public to only recognise information officially released by the Corporation as being a true representation of current affairs.

## **About Zambia Airports Corporation Limited**

Zambia Airports Corporation Limited was established in 1989 through the amendment of the Aviation Act, Chapter 444 of the Laws of Zambia which has been repealed and replaced by the Aviation Act No. 5 of 2016. It is also incorporated under the Companies Act Chapter 388 of the Laws of Zambia.

The Corporation's mandate is to develop, maintain and manage the four designated international airports, namely Kenneth Kaunda in Lusaka, Simon Mwansa Kapwepwe in Ndola, Harry Mwaanga Nkumbula in Livingstone and Mfuwe and the provision of Air Navigation services within the Zambian Airspace.
